

This is the picture of the French social worker who was heartless, callous and irresponsible. She separated me as child from my DNA American Jewish family !

And she did receive a salary and the host family also from France ! Charity against money ? Two revenues for a Jewish child ! And she was paid by the French government and also the host family for doing this “charity” job.

Two sources of income for a Jewish child !

Mr. Hollande, President of France and all the others presidents have never recognized these facts !
Tell me why not a single country has never accused France of these crimes against crimes of Human Rights and never has been punished for it?

My first News Letter: Florida where my DNA family lives

Dear Friends and readers, Jews and non-Jews,

For how many years, and how many books will I have time to write for you after this life of hell that France gave me.

How long do I have left for writing books about my life in hell that France allowed to happen.

Perhaps shall I organize a conference in front of the international media, included American TV channels ? In Paris, New-York, Washington, Chicago?

Today, stolen from my American Jewish family by France since the age of 5 months ... how much time have I left to give you all the details of my hell?

Will my heirs be able to reveal all the story to you?

This book tells you almost everything ... But there is still so much to be said.....

*Every new edition will tell you a bit more ! All genocides, violence all around the world, hunger, misery, the rich and the poor, and more....
Will the French presidents and their teams dare to tell you the truth about what I have been through?*

*Regards,
Wladimir*

Cher Monsieur,

J'ai bien reçu votre lettre m'informant de l'évolution de votre dossier à savoir l'implication de votre cousin américain dans votre affaire. Depuis maintenant de nombreuses années, vous vous battez pour obtenir réparation de la part de l'Administration française pour la spoliation de vos droits depuis 1948.

Je tiens à saluer votre courage, votre énergie et votre persévérance qui sont exemplaires depuis maintenant 60 ans et je déplore qu'un tel drame soit survenu.

En espérant que l'intervention de votre cousin avocat vous permette de faire avancer la situation, je vous prie de croire, cher Monsieur, en mes sentiments les meilleurs.

Dear Sir,

I have received your letter. For many years you have struggled with the French administration to obtain compensation for the deprivation of your rights since 1948 (your Jewish family and nationality). I salute your courage, your energy and your perseverance which are exemplary for 60 years now and I deplore that such a drama has occurred.
